Re: Delivery Service Tariff NHPUC No. 8 Effective May 10, 2011

Dear Ms. Howland:

In compliance with the Commission's Order No. 25,222 dated May 10, 2011 in Docket DE 10-329 (Petition for Declaratory Ruling or Waiver Regarding Master Metering Rule Order Approving Waiver and Proposed Tariff Language Change), the following tariff page is transmitted herewith:

NHPUC No. 8 – Electricity Delivery Service
Public Service of New Hampshire

1st Revised Page 15

Effective: May 10, 2011

We are enclosing an original signed page plus seven conformed copies pursuant to Puc 203.02. We are also filing an electronic version of this filing pursuant to Puc 203.03 along with a complete updated electronic copy of PSNH's tariff pursuant to Puc 1603.05 (d)

We are also enclosing a "blacklined" version of the tariff showing the language that was added.

In its Order No. 25,222, the Commission approved changes to the meters section of the Terms and Conditions of PSNH's tariff. These changes reflect the requirement that all new or renovated dwelling units will be separately metered and billed as an individual customer.

Please let us know if there are any questions concerning this filing. We request that one conformed copy of this filing bearing the Commission's date-of-receipt stamp be returned.

Very truly yours,

Stephen R. Hall
Rate & Regulatory Services Manager
