Re: DT 11-010, FairPoint Communications - NNE
Amendment to Special Contract with Atrium Medical Corporation for ISDN-PRI
Service

Dear Mr. Taylor:

On January 14, 2010, FairPoint Communications - NNE (FairPoint) filed an amendment to an existing special contract with Atrium Medical Corporation. Under the amendment FairPoint will provide local usage at a special rate. Staff has reviewed the documentation filed in support of the special contract and recommended that it be allowed to go into effect. According to Staff, the contract rate meets the price floor requirements of RSA 378:18-b, II.

For administrative efficiency, the Commission will not issue an order suspending, rejecting, or approving the proposed amendment. Accordingly, the proposed amendment to the contract between FairPoint and Atrium Medical Corporation is effective February 13, 2011, pursuant to RSA 378:18-b, II. (a).

Sincerely,

A handwritten signature in dark ink, appearing to read "Debra A. Howland".
