Re: DM 11-015, Notification of Enbrook LLC's Intent to Provide Electric Aggregation Service

Dear Mr. Parquette:

This is to confirm that the New Hampshire Public Utilities Commission (Commission) has received Enbrook LLC's notice of intent to provide electric aggregation service in the State of New Hampshire, pursuant to New Hampshire Administrative Rules Puc 2003.05. Staff has reviewed the application provided and believes that it meets the requirements of Puc 2003.05. Based on Staff's recommendation and the Commission's review, the Commission approves Enbrook LLC's to renew its registration as a provider of electric aggregation service in New Hampshire.

Please note the following provision of Puc 2003.05 (f): "[E]ach approved aggregator shall re-notify the commission after the initial 2 year period, or after the 5 year renewal period as applicable, by filing with the commission an application for renewal at least 60 days prior to the expiration of the currently effective registration." Enbrook LLC's original notice anniversary date is February 18, 2009 and therefore it is required to refile an up-to-date written notice on or before **December 21, 2015** if it continues to offer and provide electric aggregation service. In addition, Enbrook LLC is subject to the provisions of Puc 2004.03, telephone solicitation of customers, and Puc 2004.08, customer protections provided by aggregators.

If you have any questions regarding these provisions, please contact the Commission. Thank you for your cooperation in this matter.

Sincerely,

A handwritten signature in black ink that reads "Debra A. Howland".
