Re: Termination of aggregator/broker services notice

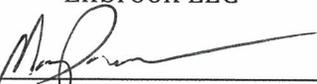

To Whom It May Concern:

Effective immediately, Enbrook LLC is terminating all operations regarding electricity broker and aggregation services in the State of New Hampshire. Enbrook LLC is voluntarily surrendering its registration to provide electric aggregation services in the State of New Hampshire issued on February 16, 2011 (DM 11-015)

All electric supply contracts executed in the State of New Hampshire were conducted with Integrys Energy Services, Inc. as the supplier. Existing customer may contact Integrys Customer Support at (888) 288-0218 if they have questions regarding their current supply contract.

If you have any questions regarding this notice please contact Mark Parquette, Member at the contact information list above.

Sincerely,
Enbrook LLC
