Re: DE 11-016; Granite State Electric Company d/b/a National Grid Default Service

Dear Ms. Howland:

On behalf of Granite State Electric Company d/b/a National Grid (the "Company"), I am writing to you to request a change in the upcoming default service filing and hearing dates in the above-referenced docket. By a letter dated and filed with the Commission on July 28, 2011 and in its previous default service filing, the Company indicated that it would make its next default service filing, covering the period November 1, 2011 to January 31, 2012 for the Large Customer Group and November 1, 2011 to April 30, 2012 for the Small Customer Group, with the Commission on September 20, 2011. Due to a scheduling conflict of a Company analyst who assists with these default service filings, the Company respectfully requests the Commission authorize it to make its next default service filing one day early on September 19, 2011 and hold a hearing on the matter on September 21, 2011. The Commission staff and Office of Consumer Advocate have agreed to this schedule change.

Thank you. Please feel free to contact me with any questions.

Very truly yours,
