DW 04-048; City of Nashua-Petition for Valuation Pursuant to RSA 38:9

Ref: Commission Letter April 28, 2011

Dear Ms. Howland:

Responding to Commission's inquiry by letter dated 28 April 2011, Intervenor Fred S. Teeboom does not object to the Commission discontinuing the designation of Mark Naylor as a staff advocate in this consolidated proceeding.

Mr. Naylor has recognized expertise with the PUC rate setting model. Considering the complex and unconventional financial arrangements proposed by the Joint Petitioners under DW 11-026, it is essential that the Commission receive Mr. Naylor's unrestricted advise on all positions advocated.

A handwritten signature in black ink, appearing to read "Fred S. Teeboom".

Fred S. Teeboom
Intervenor
