Re: DW 11-026, City of Nashua, et al.
Joint Petition for Acquisition of Pennichuck Corporation

DW 04-048, City of Nashua
Petition for Valuation Pursuant to RSA 38:9
Suspending Procedural Schedule

To the Parties:

On June 2, 2011, the City of Nashua, Pennichuck Corporation, Pennichuck Water Works, Inc., Pennichuck East Utility, Inc., and Pittsfield Aqueduct Company, Inc. (collectively, "Joint Petitioners") filed a motion to stay the procedural schedule in the above-referenced matter. In support of the motion, the Joint Petitioners state that the Joint Petitioners have not responded to all of the questions asked by Interveners and Staff at the May 11, 2011 technical session but intend to do so by June 10, 2011. Noting that Staff and intervenor testimony is also due on June 10th, staying the procedural schedule will "promote the orderly and efficient conduct of the hearing by allowing the Staff and intervenors time to incorporate the information in the responses to the technical session data requests into their testimony as needed." Staff and the intervenors have consented to the motion.

The Commission has determined to grant the motion and suspend the procedural schedule pending a recommendation for a new procedural schedule

Sincerely,

A handwritten signature in dark ink, appearing to read "Debra A. Howland".
