RE: NHPUC No. 18 Granite State Electric Company - First Revised Page 84

Dear Ms. Howland:

Enclosed is a revised page to Tariff NHPUC No. 18 for Granite State Electric Company d/b/a Liberty Utilities:

First Revised Page 84 Summary of Rates in Effect

On June 28, 2012, National Grid, pursuant to Order No. 25,376, filed its Seventy-ninth Revised Page 84 to NHPUC No. 17 Granite State Electric Company d/b/a National Grid, for default service rates for large customers effective August 1, 2012.

On July 19, 2012, Liberty Utilities filed NHPUC No. 18 for Granite State Electric Company d/b/a Liberty Utilities, adopting National Grid's NHPUC No. 17, making only administrative changes to reflect the change in ownership. The revised tariff page submitted here adopts National Grid's Seventy-ninth Revised Page 84 for NHPUC No. 17 as the First Revised Page 84 for NHPUC No. 18. As with the entire tariff, this change is administrative in nature, and does not change the approved rates effective August 1, 2012.

Thank you for your assistance with this matter. Please do not hesitate to call if you have any questions.

Sincerely,

ChristiAne G. Mason
