Re: DG 11-040; Transfer of Ownership of Granite State Electric Company and EnergyNorth Natural Gas, Inc. to Liberty Energy NH Executed Site Agreement and Appendices

Dear Ms. Howland:

The Settlement Agreement relating to the acquisition of Granite State Electric Company (“Granite State”) and EnergyNorth Natural Gas, Inc. (“EnergyNorth”) by Liberty Energy Utilities (New Hampshire) Corp. (“Liberty Energy NH”) approved by the Commission in its Order No. 25,370 (“Settlement Agreement”) requires that a copy of the executed Site Agreement entered into by Granite State and New England Power Company (“NEP”) (a subsidiary of National Grid USA (“National Grid”)) be filed with the Commission within thirty (30) days of closing, which occurred on July 3, 2012. Settlement Agreement at 8. Enclosed in compliance with the Settlement Agreement are an original and six copies of the Site Agreement.

The Joint Petitioners provided a draft copy of the Site Agreement to the parties during the underlying proceeding in response to a Staff technical session data request. Granite State and NEP made subsequent changes to the format and substance of the Site Agreement prior to execution, and the Site Agreement is no longer incorporated as a supplement to the Local Service Agreement between Granite State and NEP for transmission service under the ISO-NE Transmission, Markets and Services Tariff, as stated in the Settlement Agreement. Settlement Agreement at 8. Many of the changes in the Site Agreement are a result of the Site Agreement’s severance from the Local Service Agreement. National Grid and Liberty Energy NH have provided a copy of the document showing all changes in the document to the parties in this matter.
