**Re: DG 11-040 National Grid, Granite State Electric Company, and
EnergyNorth Natural Gas, Inc.
Performance Report – Granite State Electric – November 2013 REVISED**

Dear Ms. Howland:

On December 31, 2013, Liberty Utilities filed the above report on behalf of Granite State Electric and EnergyNorth Natural Gas, Inc. Upon further review of our submission, we realized the report for Granite State Electric contained incorrect information. Specifically, the notes from National Grid were not updated to reflect GSE Bill Estimates and GSE Bill Exceptions for the November reporting period.

This revision only affects Granite State Electric, so the revised report is only one page.

Thank you for your assistance with this matter. Please do not hesitate to call if you have any questions.

Sincerely,
