Dear Executive Secretary:

Patriot Energy Group, Inc. is a registered electricity aggregator in New Hampshire, and serves customers in National Grid, PSNH, and Unitil territories. However, Patriot Energy Group desires to amend its current registration to be able to serve customers in the territory of New Hampshire Electric Cooperative ("NHEC") territory as well. Therefore, Patriot Energy respectfully submits this request to the Commission to add NHEC territory to Patriot Energy's original application for license so Patriot Energy Group can begin serving its prospective customers in NHEC territory. .
