Re: DT 11-052, Level 3 Communications, LLC  
Revisions to NHPUC Tariff No. 1

Dear Mr. Donahue:

On March 17, 2011, Level 3 Communications, LLC (Level 3) filed a revision to its NHPUC Tariff No. 1. The revision is described as adding Level 3's "Third Party Tandem Connect" service. Staff submitted a request for clarification and revisions to Level 3 and the company is currently preparing a response. On April 11, 2011, AT&T Corp. (ATT) petitioned to intervene in this proceeding, raising concerns regarding possible ambiguities in language of the revision.

Staff has requested that the effective date of the tariff revision be extended by 30 days, to provide Level 3 additional time to address concerns raised by Staff and ATT.

Pursuant to RSA 378:6, IV, "The Commission may, in its discretion and with reasonable explanation, including an explanation of the likely areas of disagreement with the tariff, extend the time for its determination by up to 30 days." In order to evaluate the information requested by Staff, but not yet received, and evaluate the concerns raised by ATT, the Commission concludes it is reasonable to extend the effective date of the tariff revision by 30 days, to May 17, 2011.

Very truly yours,

A handwritten signature in blue ink that reads "Debra A. Howland".
