Statement Regarding Terms of Service and Agreement

- **Choice/Rescission.** You, the business or residence named above ("you" or "Customer"), understand that you are not required by law or mandated to purchase services or choose an alternative supplier, and acknowledge the sales representative represents People's Power & Gas, LLC ("People's Power"). Customer has the right to rescind this Agreement, without fees or penalties of any kind, during the three (3) business days after executing this Agreement if delivered personally or electronically and Customer shall have five (5) business days from the date of postmark if delivered via United States postal service.
- **Local Utility Role.** Customer acknowledges that the Local Distribution Company ("LDC") will continue to deliver electricity purchased from People's Power, read your meter and respond to emergency service as required by any federal and state laws. This Agreement is governed by laws of the State of New Hampshire. Customer hereby designates People's Power as its exclusive agent for receiving billing information from LDC and for procuring and scheduling the transmission and ancillary services necessary to deliver electricity purchased by People's Power to the LDC transmission and distribution system.
- **Transfer of Service and Term.** The initial transfer shall commence on the switched meter read date after People's Power and LDC's approval. Customer may cancel at any time for any reason within the first ninety (90) days from execution of this Agreement without any fees or penalties. The term ("Term") will continue thereafter until December 31st of the following calendar year and for no less than 12 months. Customer may cancel this Agreement with (60) sixty days notice prior to the end of Term. If not terminated, this Agreement will thereafter renew for successive one year terms at a variable rate. It is the responsibility of your next supplier or LDC to terminate service with People's Power and transfer your account.
- **Price and Other Charges.** Customer will pay the People's Power variable rate for the Electric Supply Charge of your bill. The variable rate is determined by People's Power and may fluctuate on a monthly basis according to current market conditions and market prices for commodity, transportation, balancing fees, storage charges, People's Power fees, profit, line losses and applicable taxes. The People's Power rate does not include applicable LDC charges (such as system benefit and stranded cost charges), Delivery & System Charges, Efficiency & Renewables Charges, Ancillary Services, Taxes or any Tariff Charges. Except as provided in this Agreement, if you terminate this Agreement prior to the expiration date of the Term, or People's Power terminates this Agreement for non-payment, you will be liable for your average monthly Electric Supply Charges for each month remaining in the Term, multiplied by the projected retail rate per

kWh as determined by People's Power. Customer acknowledges that notwithstanding any cancellation of this Agreement, the applicable provisions shall remain in effect to the extent necessary to provide for final billing and collection.

- **Billing.** You hereby authorize People's Power to change your billing information with LDC. Customer will allow People's Power online access to your account with LDC and hereby designates exclusive control to People's Power as a billing/pay agent to provide you with a consolidated invoice by People's Power which includes LDC charges, Delivery & System Charges, Efficiency & Renewables Charges, Ancillary Services, Taxes, or any Tariff Charges. People's Power will remit any such charges directly to LDC on or before the due date after receipt of cleared payment from Customer. If you selected Auto Pay, you hereby authorize People's Power to automatically deduct payment in whole or in part on the date of your invoice. You may pay LDC directly for LDC's portion of the bill with notification of payment to People's Power. All past due balances before enrollment with People's Power must be resolved and paid directly to LDC or People's Power may add them to your invoice to be passed through to LDC. You also acknowledge that (i) People's Power may not carry forward Batch or Balanced Billing, (ii) People's Power may invoice you for the Power Supply Charge if unable to receive LDC's portion of your monthly bill, (iii) you are still responsible for paying the LDC portion to LDC if not invoiced by People's Power, and (iv) you hereby are exercising your rights to have LDC send the LDC portion to People's Power for processing and payment to LDC on the Customer's behalf to provide a consolidated invoice from People's Power and/or may be provided a consolidated invoice by the LDC. Invoicing to Customer by either the LDC or People's Power is in the sole discretion and determined by People's Power.
- **Payments.** Payment is due within 20 days of receipt of invoice. Late payments or partial payment balances will be subject to a 1.5% per month late fee on the Power Supply Charge. You are responsible for LDC Delivery & Systems Charges, Efficiency & Renewables Charges, Ancillary Services, Taxes, or any Tariff Charges not received by due date, which may result in a late fee from LDC. Your invoice may be based on projected, scheduled or estimated meter readings. People's Power is authorized in its sole and absolute discretion and may without LDC's participation or support discontinue and/or disconnect service for late or non-payment, subject to, and in accordance with, any applicable laws or regulations. You remain responsible for any and all amounts invoiced by LDC while any dispute is being settled.
- **Acceptance/Change of Terms.** Customer acknowledges that People's Power reserves the right to not accept this Agreement and may modify, assign or transfer this Agreement at any time with at least (30) thirty days prior notification before a change becomes effective. You may terminate this Agreement before a change becomes effective without penalty. People's Power may cancel this Agreement at any time, provided that the applicable provisions of this Agreement shall remain in effect to the extent necessary to provide for any final billing and collection.
- **Title/Taxes.** Title under this Agreement for the electricity shall pass from LDC to People's Power prior to the delivery to LDC's systems. Customer shall be responsible for, and shall reimburse People's Power for, any transfer, sales or other taxes and related charges, however designated, imposed upon, the transfer of title or the transporting or delivering of electricity, unless prior to execution of this Agreement Customer has provided valid tax exemption certificates or other legal documents, as applicable.
- **Communications.** You agree that mail; email; phone and/or SMS/MMS cell phone texting are acceptable forms of communications of any State or LDC requirements, compliance filings or any notifications of any kind from People's Power or its affiliates and will allow the use of your name and/or logo for future refer-

Sergio,
People's Power & Gas, LLC is in the process of obtaining our New Hampshire license with the NHPUC. We need a copy of our EDI certificate to show that we have completed EDI testing in NGRID NH. Can you please send proof of PPG completion in EDI testing with NGRID NH?

Thank You

Re: Application for NEPOOL Membership

Dear Mr. Pearsall:

The request of People's Power & Gas LLC ("PP&G") to become a Participant¹ in the New England Power Pool ("NEPOOL") was approved by the NEPOOL Participants Committee Membership Subcommittee at its April 11, 2011 meeting, subject to the applicable understandings, including those which are reflected in the attachment to this letter.

Please confirm PP&G's acceptance of NEPOOL's Standard Membership Conditions, Waivers and Reminders by signing a copy of this letter and returning it, *along with a copy of the Standard Membership Conditions, Waivers and Reminders*, to:

Audra Perry
New England Membership Application Coordinator
c/o ISO New England Inc.
One Sullivan Road
Holyoke, MA 01040-2841
Fax: 413-540-4680
E-mail: aperry@iso-ne.com

I understand that PP&G intends to operate in New England as a load aggregator. Your signature on a copy of this letter will also serve to confirm that understanding.

I have been instructed to remind PP&G of the following obligations which are common to all NEPOOL Participants that operate as load aggregators:

¹ Capitalized terms used but not defined in this letter are intended to have the meanings given to such terms in the Second Restated New England Power Pool Agreement ("Restated NEPOOL Agreement"), the Participants Agreement, or the ISO New England Inc. Transmission, Markets and Services Tariff ("ISO Tariff").

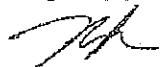

- (1) each Participant is obligated to provide NEPOOL or the ISO the information that NEPOOL or the ISO determines is required in order to administer and implement the Second Restated NEPOOL Agreement, the Participants Agreement, the Tariff, and these conditions and waivers;
- (2) each Participant is obligated to conform to any future changes in NEPOOL requirements;
- (3) each Participant is obligated to comply with all governmental, regulatory or other legal requirements which must be satisfied as a condition to its participation in NEPOOL or the New England Markets, or which may be otherwise applicable to such participation;
- (4) each Participant is obligated to pay an allocated portion of certain NEPOOL and ISO costs in accordance with the Second Restated NEPOOL Agreement, the Participants Agreement, and the Tariff;
- (5) each Participant is obligated to pay its monthly share of Participant Expenses by the payment date as specified in the Billing Policy (or any successor rule or procedure), which is currently the third Business Day after the issuance of the first weekly statement issued after the tenth of a calendar month (the Monthly Statement due date) but may be subject to change. If a Participant is delinquent two or more times within any period of 12 months in paying on time its share of Participant Expenses or other Hourly or Non-Hourly Charges, such Participant shall pay, in addition to interest on each late payment, a late payment charge for its second failure to pay on time, and for each subsequent failure to pay on time within the same 12-month period (a "Late Payment Charge") in an amount equal to the greater of (i) two percent (2%) of the total amount of such late payment or (ii) \$1,000;
- (6) each Participant is obligated to meet the requirements specified in the Billing Policy on file with the FERC as it may be amended from time to time (Participants are encouraged to regularly review the Billing Policy for any changes to the billing and payment dates or procedures; the far-reaching consequences of the failure to pay all or any part of an amount due when and as due are set forth in the Billing Policy);
- (7) each Participant is obligated to meet the requirements specified in the Financial Assurance Policies on file with the FERC as they may be amended from time to time;
- (8) each Participant is required to submit information to the ISO from time to time, as is necessary to enable the ISO to meet its obligations, concerning any entity owned 10% or more by the Participant or any entity which owns 10% or more of the Participant, including upon a change in ownership or control of the Participant any such entity;
- (9) each Participant, except a Governance Only Member, has the obligation to assure for each transaction that it has identified transmission facilities required to accomplish such transaction and has made appropriate arrangements with the ISO or the owners of such transmission facilities, as appropriate, for use of such facilities;
- (10) each Participant is obligated to provide NEPOOL or the ISO the information that NEPOOL or the ISO determines is required in order to administer and implement the Second Restated NEPOOL Agreement, the Participants Agreement, the Tariff and

any other agreement that NEPOOL or the ISO administers and, except a Governance Only Member, to verify that satisfactory transmission arrangements have been made for each transaction;

- (11) for brokered transactions, a Participant while acting, now or in the future, as a broker would not be considered either the purchaser or the seller;
- (12) each Participant is obligated to conform to standards established by the ISO or any duly authorized NEPOOL committee to assure reliable operation of the New England Control Area, including, without limitation, the obligation to have the ability to subject its load to load shedding as required by the ISO; and
- (13) no Participant may use its rights under the Second Restated NEPOOL Agreement, Tariff or the System Rules to avoid the application of any stranded cost policy, or to avoid or reduce the payment of any applicable stranded costs or access charges related to such stranded cost policy that has been approved by Federal regulators or regulators in any New England state in which that Participant is purchasing or selling electric energy and/or capacity for resale at wholesale or to retail customers.

Upon receipt of this countersigned letter, NEPOOL expects to make the necessary filings with the Federal Energy Regulatory Commission in order for PP&G's application to become effective.

Very truly yours,

Michael J. Lynch
Chair, Membership Subcommittee
of the NEPOOL Participants Committee

People's Power & Gas, LLC

MANAGERIAL FITNESS (UPDATED)

Mr. David O. Pearsall – Chairman & CEO

The Chairman & CEO of People's Power & Gas, LLC is Mr. David O. Pearsall. Mr. Pearsall has an extensive managerial background in the retail electric markets that match the capabilities required to serve retail electric customers in all deregulated states.

Mr. Pearsall was the owner and president of Modern Electrical Contractors of New Milford, CT from 2003 to 2007. He is a licensed electrician who holds an E-1 and E-2 Certification from the State of Connecticut. As owner and president of Modern Electrical Contractors, Mr. Pearsall conducted electrical installation and maintenance of electrical systems for large commercial, small commercial and residential accounts with up to 35 electricians.

In May 2007, Mr. Pearsall founded and built Public Power & Utility, Inc. ("PP&U"), a retail energy supplier, which is licensed in Connecticut, Massachusetts, Maine, Maryland, New Jersey, New York and Pennsylvania with over 80,000 customers. Under Mr. Pearsall's direction, PP&U operated successfully in the ISO-New England, ISO-New York, and PJM deregulated electric markets. Mr. Pearsall sold all his interest in PP&U in November 2010.

Mr. Pearsall is a hands-on executive and works directly with customers and sales personnel to ensure that there is a clear understanding regarding enrollment processes, sales agreements, pricing, and administrative aspects of the retail energy industry. He regularly makes presentations and holds discussions regarding retail electricity purchasing to major businesses, small business owners, municipal agencies, and civic groups. In October 2012, Mr. Pearsall became a member of the National Energy Marketers Association (NEMA).

Mr. Pearsall's goal is to provide a cost-effective and convenient service with savings for both commodities and to provide the best employment for those who deserve it.

Mr. Steven Malkiewicz – Chief Financial Officer

Mr. Malkiewicz has been a participant in the utilities/energy industry during his entire business career and currently serves as Chief Financial & Risk Officer for People's Power & Gas, LLC. His experience is a unique blend of financial and analysis assignments, with strategic and operational responsibilities. Mr. Malkiewicz has

People's Power & Gas LLC

TECHNICAL FITNESS

People's Power & Gas, LLC has the requisite managerial and technical expertise to serve retail customers in Connecticut.

People's Power & Gas LLC's staff all has prior industry experience and will utilize their knowledge for all power purchasing, scheduling, settlement, renewable energy credits, pricing, risk management, billing, tax filings, regulatory filings, and customer service. The operations, finance, and customer service personnel have prior experience operating successfully in the ISO-New England deregulated market with residential, small commercial, and large commercial customers. Our personnel have attended supplier training for New York, Connecticut, Maine, Massachusetts, and New Hampshire.

We use a well known third-party EDI/billing provider, EC Infosystems of Garden City, New York to manage both market and utility transactions.

People's Power & Gas is developing an all-inclusive software (patent pending) for automated customer enrollments and will be connected to our EDI link, via EC Infosystems. We believe this system will help to increase People's Power & Gas' customer enrollments in one or both commodities, as well as any compliance requirements exponentially.

The all-inclusive software will incorporate online enrollments, fax/paper enrollments, phone IVR (Intelligent Voice Recognition), and TPV (Third Party Verification) files. The system is designed so that every enrollment will be compliant in its respective state. When a customer calls our customer service phone number, a customer service representative will automatically see all of the customer's information on their computer screen from the moment the customer calls. The software will automatically set up a customer account page and verify any duplicate information. Welcome and Thank You letters will be sent out automatically upon a customer's enrollment with People's Power & Gas. The system will also notify our customer service representatives of any rejected customers from any utility so that we can immediately find the discrepancy and resubmit the enrollment. Representatives are able to query any customer information such as customer count by state or utility, billed and unbilled, kilowatt hour usage, average electricity or natural gas consumption by an individual customer or by type and rate codes. The software also helps to ensure the confidentiality of our customers, as well as mitigate any potential slamming issues. We also believe that it will alleviate human error and allow us to be user-friendly, seamless and scalable as we expand into new markets, allowing us to keep our personnel costs down, thereby reducing our direct overhead expenses.

People's Power & Gas, LLC expects to make moderate investments in personnel over the next five years as our business grows. We plan to hire highly qualified and experienced professionals to streamline and automate our middle and back-office functions, and to provide more exceptional online capabilities for our customers via our company website.
