TO: Debra Howland, Executive Director
Kate Bailey, Director, Telecommunications Division

On April 22, 2011, Northern New England Telephone Operations LLC d/b/a FairPoint Communications - NNE (FairPoint) filed a special contract between FairPoint and Technical Graphics. A revised contract was filed with the Commission on May 4, 2011. Under the contract, FairPoint will provide Technical Graphics with ISDN-PRI service, including Port, Local Distribution Channel and Caller ID with Name for a period of 24 months. During the first 12 months of the contract, Technical Graphics is allowed to order additional services at the rates set forth in the contract.

FairPoint stated that the filing contains confidential, commercial, and financial information exempt from public disclosure under RSA 91-A:5, IV.

Staff has reviewed the cost study data submitted by FairPoint and confirmed that the contract rates exceed the price floor requirements as defined in Order Nos. 23,357 and 23,493 (Docket No. DT 99-018). Based on its analysis, Staff recommends that the special contract be allowed to go into effect pursuant to RSA 378:18-b, II(a).
