Dear Executive Secretary:

Freedom Logistics, LLC respectfully requests a waiver from the New Hampshire Public Utilities Commission rule regarding the 60 day pre-expiration renewal notice requirement. Freedom's electric aggregator registration expired on February 18th of 2011 due to an internal administrative error. A notice of renewal was required 60 days prior to that date in accordance with PUC regulations. A notice of renewal for Freedom has since been filed with the Commission as of Monday, May 16th of this year. Please let me know if you have any questions or concerns, I can be reached via the contact information provided below.

Sincerely,

A handwritten signature in black ink, appearing to read "A. Fromuth".
