**Re: EnergyNorth Natural Gas, Inc. Affiliate Agreement**

Dear Ms. Howland:

Enclosed for filing with the Commission, in accordance with RSA Ch. 366:3, are seven (7) copies of an agreement between Colonial Gas Company, Boston Gas Company, The Narragansett Electric Company and EnergyNorth Natural Gas, Inc. This agreement sets forth terms for Colonial Gas Company to sell quantities of LNG purchased from Distrigas of Massachusetts ("Distrigas") to EnergyNorth Natural Gas, Inc. during the period April 25, 2011 through October 31, 2011, which is the traditional summer refill period for LNG facilities. The agreement provides operational benefits and savings to customers by allowing National Grid to more efficiently allocate the trucks needed for summer refill in its New England service territory than would otherwise be possible if each of the four LDC's had a separate agreement to purchase liquid from Distrigas.

Please contact me if you need anything further.

Very truly yours,

  
Thomas P. O'Neill
