Re: 2010 and 2011 Compliance Year Renewable Portfolio Standard Requirements

Dear Mr. Robbins:

By letter dated July 19, 2013, South Jersey Energy (SJE) asked the Commission to reconsider SJE's request to accept revised renewable portfolio standard compliance filings for the years 2010 and 2011, which request was denied by Commission secretarial letter dated July 9, 2013. The Commission has reviewed SJE's request for reconsideration and has found that it neither provides any new evidence in support of SJE's position nor requests an adjudicative proceeding pursuant to Puc 2505.13. Accordingly, the Commission has denied SJE's request for reconsideration.

Therefore, the sum of \$93,849 in alternative compliance payments for the 2011 compliance year remains due from SJE, and payment of this amount should be remitted by November 1, 2013 to the attention of Eunice Landry at the following address:

Sincerely,

Debra A. Howland
