Re: DT 11-121, FairPoint Communications – NNE Tariff Revision
Tariff Filing to Add ISDN PRI Service Bundles

Dear Mr. Taylor:

On June 3, 2011, Northern New England Telephone Operations LLC d/b/a FairPoint Communications – NNE (FairPoint) submitted a tariff filing to add Integrated Services Digital Network Primary Rate Interface (ISDN PRI) service bundles in its NHPUC Tariff No. 83.

Under the proposed tariff, FairPoint customers may choose from three different ISDN PRI bundle options. These bundles are provided under 1, 2, or 3 year term commitments and one package includes a month-to-month service option. Termination charges apply to packages which are cancelled prior to their respective end date.

Staff conducted an analysis of the cost study and the tariff revision submitted by FairPoint and has concluded that the prices of the services exceed the costs. The Commission has accepted Staff's recommendation. The tariff will go into effect by operation of law on July 1, 2011.

For administrative efficiency, an order will not be issued by the Commission either suspending, rejecting, or approving the proposed tariff changes. Pursuant to RSA 378:3 and RSA 378:6, IV, the proposed revisions, as filed on June 3, 2011, and as updated on June 20, 2011, are effective as of July 1, 2011. Tariff pages should be filed referencing Docket No. DT 11-121 and reflecting the effective date of July 1, 2011.

Sincerely,

A handwritten signature in blue ink that reads "Debra A. Howland".

Debra A. Howland
Executive Director
