Re: Renewal filing by Axsess Energy Group, LLC to provide electric aggregation service

Dear Ms. Howland,

Please find enclosed a renewal filing for Axsess Energy Group, LLC to provide electric aggregation service in the state of New Hampshire.

Please note that this filing is late due to confusion with the new rule in PUC 2003.05 which implements a 5 year renewal period on subsequent renewals. After contacting personnel at the NH PUC it was clarified that we were still required to submit the renewal within the 2 year period for this renewal and that going forward we would then be under the 5 year renewal requirement. Due to this confusion, we request a waiver pursuant to PUC 201.05 and ask that you accept this renewal application.

Please call me at 508-351-9050 if you have any questions.

Regards,

Antonio D. Aguiar
President
