9. **SoftPhone**

SoftPhone provides the capability to make voice calls using software loaded on a computer located at the customer's premises where unchannelized VoIP broadband service is provisioned to allow for full capacity data transmission. SoftPhone includes assignment of a local telephone number and 911 capability. For intrastate long distance calls placed using SoftPhone, the applicable per minute long distance rate will apply. No additional charge applies to local calls made using SoftPhone.

Monthly Recurring Charge, per channel Client: \$15.00

**10. Business Line:**

Business Line is an analog, loop-start channel that can be connected to a single device, e.g., a single line telephone set, fax, or modem. Business Line channels cannot be used to serve multi-line devices such as key systems or PBXs. This facility may be provided via either central office unbundled loop or resale arrangements.

Monthly Recurring Charge, per channel: \$60.00

**11. Remote Call Forwarding**

Remote Call Forwarding (RCF) provides the subscriber with a “local” telephone number, which can be used by callers outside of the subscriber’s exchange. Calls appear to the calling party to be local in nature. Calls to the RCF number are automatically forwarded to another telephone number designated by the RCF subscriber. The RCF number can be in either a different exchange (remote) or another central office within the same exchange (local).

The RCF subscriber is responsible for all charges between the RCF number and the terminating number, including toll.

Monthly Recurring Charge, per Path:           \$25.00

**12. Windstream Dynamic Office**

Windstream Dynamic Office is a family of services utilizing Voice over Internet Protocol (VoIP) technology. Dynamic Office is available with T1, ISDN-PRI, or other transport mechanism. Services and features are offered subject to the availability of network services, facilities and technology and compatibility with customer equipment, wiring, software, and capacity. Pricing does not include handsets, wiring, installation, LAN assessment, or any other special installation or services unless specified herein. Customer is responsible for subscribing to appropriate levels of bandwidth, based on the number of users, to accommodate local, long distance and 911 calling. Customer is responsible for complying with any guidelines or terms regarding this service and for having necessary facilities in place for its operation. The Company is not responsible for outages or performance issues that might occur if Customer does not conform to these guidelines. Remote site DID service requires that a physical address be associated with each DID for the provision of local calling and 911 emergency routing service. Windstream Dynamic Office customers must maintain a minimum monthly commitment, defined as 85% of their monthly recurring charges at initial installation. Windstream Dynamic Office customers are required to use long distance service that is provided by the Company or the Company's designated provider, Windstream Communications, Inc. These conditions also apply to Windstream Total Office.

Voice - Customers can choose between 1 and 24 voice lines per facility. Service is available with analog lines, digital trunks, PRI, or SIP.

Analog Line, Digital Trunk, and PRI Sessions,                      \$6.75 Per Seat
