Re: Joint Request for Waiver of NH Code Admin. Rule Puc Section

Dear Ms. Howland:

Please find an original and six copies of a Joint Request for Waiver of NH Code Admin. Rule Puc Section 2507.04(c) ("Joint Request") on rebates for renewable energy systems. The Joint Request is made by Sanborn Regional School District ("Sanborn") and Revolution Energy LLC ("Revolution"). As explained in the Joint Request, Sanborn and Revolution are seeking a rebate for the deployment of four solar thermal projects for the Sanborn Regional High School in Kingston NH. The education facility is owned by Sanborn but the renewable energy system will be developed and owned by Revolution Energy LLC (a New Hampshire LLC) and sited at the facility under an innovative financing/ownership structure that invokes this request since the parties are separate. The grant of a waiver in this matter serves the public interest and will not disrupt the orderly and efficient resolution of matters before the commission.

This cover letter and Petition are also being filed electronically.

Copies are being sent electronically to the Office of Consumer Advocate and the Sustainable Energy Division.

Thank you.

Sincerely,

Clayton R. Mitchell, Esq PhD
