The application is under review. There are some regulatory updates which we are working to incorporate in our registration process. It is causing some delays which we are hoping to overcome soon.
We found one deficiency in your application. Although you attached your business license from other states, it seems like you did not provide the Authorization to do business in New Hampshire from the secretary of state as required under Puc 2006.02(5). Please provide the required document to complete your application.
If you have any question, please do not hesitate to contact me. Thanks!
