**Re: DE 11-213; Granite State Electric Company d/b/a National Grid
Tariff Revisions – Revolving Loan Fund Established under RGGI**

Dear Ms Howland:

On October 4, 2011, I filed on behalf of Granite State Electric Company d/b/a National Grid, proposed tariff revisions relating to National Grid's revolving loan fund for energy efficiency projects authorized as part of a grant under the Regional Greenhouse Gas Initiative ("RGGI"). As a result of recent discussions with Commission Staff, I am withdrawing the proposed tariff pages and will file revised pages as soon as practicable.

Please do not hesitate to contact me if the Commission has any questions in this regard.

Very truly yours,
