Re: DM 11-222, Kevin J. Cobb & Associates Inc. d/b/a Quest Energy Solutions  
Renewal Registration as a Natural Gas Aggregator

Dear Mr. Cobb:

On August 31, 2011, the previously effective natural gas aggregator registration for Kevin J. Cobb & Associates Inc. d/b/a Quest Energy Solutions (Quest Energy Solutions) expired (re. DM 09-157). On October 4, 2011, Quest Energy Solutions filed with the Commission an application for renewal of its expired registration as a natural gas aggregator, together with the application fee of \$125.00. On October 17, 2011, Quest Energy Solutions amended part 6 of its renewal registration application. On October 27, 2011 Quest Energy Solutions requested a waiver of Puc 3003.05(a), the requirement that renewal applications be submitted at least 60 days prior to the expiration of an existing registration.

Following its review of the filing, Commission Staff has determined that the application for registration as a natural gas aggregator meets the requirements for registration pursuant to N.H. Code Admin. Rules Puc 3003.04 and 3003.05. On November 2, 2011, Staff filed its recommendation to grant the request for waiver and approve the application. The Commission will grant the waiver of Puc 3003.05(a) and approve the registration as a renewal of the recently expired registration with an effective date of September 1, 2011. The registration will expire at the end of business on August 31, 2016.

Additionally, please bear in mind that, pursuant to N.H. Code Admin. Rules Puc 3003.05 (a), each aggregator shall re-register with the Commission by filing an application for renewal at least 60 days prior to the expiration of its registration, i.e., in the case of Quest Energy Solutions, on or before June 30, 2016. It is strongly recommended that subsequent renewal applications be filed in accordance with the requirements of Puc 3000 rules.
