To Whom It May Concern,

Kevin J Cobb & Associates Inc. DBA Quest Energy Solutions is submitting its renewal as a Electric Aggregator for the state of New Hampshire effective immediately (docket DM 11-230). We are requesting a waiver of rule Puc 2003.5 (a) pertaining to the 60 day renewal requirement. We failed to meet the requirements due to a change in staff and administrative oversight. Quest Energy Solutions is still active in New Hampshire and we would like to remain active. If you have any questions, or need further information, please do not hesitate to contact us at 508-407-8572.

Thank you,

Brenda Brunell
