**Re: DE 11-250: Public Service Company of New Hampshire  
Investigation of Merrimack Station Scrubber Project and Cost Recovery**

Dear Ms. Howland:

Per the suggestion of Commission Staff, in order to comply with the requirements of Rule Puc 201.04 (c) (2), I enclose for filing in the above-captioned docket an original and six copies of the confidential pages from Attachment WMS-2, to the testimony of William M. Smagula, which now includes gray shading over the confidential information provided in the original filing made on June 15, 2012. (This material is the subject of our Motion for Protective Order dated July 25, 2012).

I also enclose one copy of the redacted version of Attachment WMS-2, to the testimony of William M. Smagula, which now includes black shading over the words "Privileged and Confidential – prepared at the direction of Legal counsel in anticipation of litigation".

Finally, due to the voluminous nature of Attachment WMS-2, I enclose a CD which includes both the confidential and redacted version of this attachment.

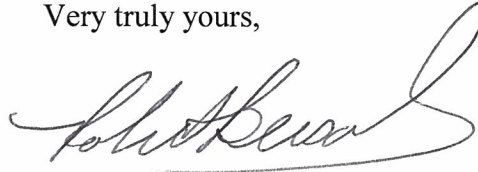

As this communication solely deals with non-substantive procedural matters, copies have not been provided to parties on the service list.
