**Request:**

Reference page 4 of your testimony. Was the information shared with the PUC and the OCA the same as it was shared with the Utilities Risk and Capital Committees? If not, what were the differences, and why did PSNH not provide the same information both to the PUC and the OCA as to the Utilities Risk and Capital Committee and the Board of Trustees?

**Response:**

The facts shared with the PUC Staff and OCA were the same as those shared with the RaCC. The presentation formats were different, since the material was being presented to different audiences.
