Renewal Registration to Provide Natural Gas Aggregation Services

Dear Mr. Luke:

On November 18, 2011, Atlantic Group Energy, Inc. d/b/a Atlantic Group Energy of Massachusetts (Atlantic) filed with the Commission an application for renewal of its registration as a natural gas aggregator, together with the renewal application fee of \$125.00.

The Commission has reviewed the renewal application for registration as a natural gas aggregator and has determined that it meets the requirements for registration pursuant to N.H. Code Admin. Rules Puc 3003.05. The Commission will approve the registration with an effective date of January 10, 2012, which coincides with the expiration of the existing registration for Atlantic. The renewal registration will expire at the end of business on January 9, 2017.

Additionally, please bear in mind that, pursuant to N.H. Code Admin. Rules Puc 3003.05 (a), each aggregator shall re-register with the Commission by filing an application for renewal at least 60 days prior to the expiration of its registration, i.e., in the case of Atlantic, on or before November 9, 2016. Please be sure to file a timely renewal application. Registration instructions and a checklist of requirements to properly file a renewal registration application are located on the Commission website at <http://www.puc.nh.gov/Gas-Steam/CNGS-Aggregator%20registration%20application%20instructions%20and%20checklist.pdf>.

All registered Natural Gas Aggregators in the State of New Hampshire are subject to specific requirements spelled out in N.H. Code Admin. Rules Puc 3000 – Competitive Natural Gas Supplier and Aggregator Rules. These rules can be found on our website at <http://www.puc.nh.gov/Regulatory/Rules/PUC3000.pdf>. If you have any questions regarding these provisions, please contact the Commission. Thank you for your cooperation in this matter.

Sincerely,
