Re: DM 11-286, Summit Energy Services, Inc.
Registration as a Natural Gas Aggregator

Dear Mr. Taglieri:

On December 27, 2011, Summit Energy Services, Inc. (Summit) filed with the Commission an application for registration as a natural gas aggregator, together with the application fee of \$250.00; this filing was updated by a letter dated January 17, 2012.

Following its review of the filing, Commission Staff has determined that the application for registration as a natural gas aggregator meets the requirements for registration pursuant to N.H. Code Admin. Rules Puc 3003.04. On February 6, 2012, Staff filed its recommendation to approve the application, with the expectation that Summit will remain cognizant of Commission filing requirements going forward. The Commission will approve the registration with an effective date of February 6, 2012. The registration will expire at the end of business on February 5, 2014.

Additionally, please bear in mind that, pursuant to N.H. Code Admin. Rules Puc 3003.05 (a), each aggregator shall re-register with the Commission by filing an application for renewal at least 60 days prior to the expiration of its registration, i.e., in the case of Summit, on or before December 5, 2013. Registration instructions and a checklist of requirements to properly file a renewal registration application are located on the Commission website at <http://www.puc.nh.gov/Gas-Steam/CNGS-Aggregator%20registration%20application%20instructions%20and%20checklist.pdf>.
