**Re: Docket Nos. DM 12-062 and DM 11-284, Constellation NewEnergy, Inc. and Integrys Energy Services, Inc. Notification of Change**

Dear Ms. Howland:

It was announced on July 30, 2014 that Exelon Corporation (“Exelon”) and Integrys Energy Group, Inc. entered into a definitive agreement for Exelon to purchase Integrys Energy Services, Inc. (“IES”). The transaction was conditioned on approval by the Federal Energy Regulatory Commission and the notification and reporting requirements under the Hart-Scott-Rodino Act. The transaction closed effective November 1, 2014.

Pursuant to N.H. Admin. Code § 2003.01, Constellation New Energy, Inc. (“CNE”) and IES submit this notice regarding a change in circumstances from those documented in their registration applications. IES is now an affiliate of CNE.

Attachment A provides a post-closing retail energy entity organization chart. Attachment B provides updated regulatory contact information for IES which is the same as CNE’s current regulatory contact. Attachment C provides an updated list of officers and directors for IES.

Exelon will be assuming the financial responsibility of IES and an updated guaranty will be provided as required. Should you have any questions or need further information, please contact Kate Stanley at 410-470-3148 or [kate.stanley@constellation.com](mailto:kate.stanley@constellation.com).

Sincerely,

Catherine Stanley
