Re: DM 12-066 Electric Aggregation Service

Dear Ms. Howland:

Our company is licensed or certified as an electricity power aggregator or broker with your state. This is to notify you of a change of ownership with our company, Utilities Analyses, Inc.

Effective on or about August 2012, Procurian, Inc. purchased all outstanding shares of the company from our former owners, Carl, Gayle and Kevin Shaw.

This is a change of ownership only and does not affect our technical or managerial expertise in providing electric broker services to our customers in your state. We will change our name to Procurian Energy at some point in the future, however at this time the date is unknown.

Should you have any questions, please do not hesitate to contact me at 404-321-6677 x307.

Sincerely,

Dennis J. Zvosec
Vice President
Utilities Analyses, Inc.
