Test Acceptance Form July 9, 2012

The undersigned agree that ENH Power and New Hampshire Electric Cooperative (NHEC) have successfully completed electronic interchange testing for "LDC" option on July 3, 2012.

Subject to any finalization of bilateral agreements between ENH Power and NHEC and fulfillment of all other registration requirements as directed by the New Hampshire Public Utility Commission, ENH Power may submit customer enrollment transactions electronically to NHEC upon providing billing rates no less than ten (10) business days prior to Member enrollment or Member's next billing date for any such rate. Supplier rates and pricing options must conform to the rate structure in use by the Cooperative for each specific rate class and be supported by meters in place.
