## ENH POWER CUSTOMERS

Dear Customer,

New Hampshire Code of Administrative Rules adopted by the New Hampshire Public Utilities Commission requires that Competitive Electric Power Suppliers ("CEPS") inform all customers when a sale, lease, or transfer occurs.

This letter serves as notice that a sale of ENH Power to Spark Energy, Inc. ("Spark Energy") will occur within the next 30 days. Spark Energy is an independent retail energy services company that provides residential and commercial customers in competitive markets across the United States with an alternative choice for natural gas and electricity.

There will be no change to your electricity supply rate and all contract terms will remain the same as ENH Power will continue to serve you as we always have. There is no action required as part of this notice. You may stay with ENH Power, return to default service, or choose a different CEP at no additional costs prior to your next meter read.

However, we certainly look forward to continuing to provide you with the same great service and supply pricing for many years to come as part of the Spark Energy family.

If you would like to discuss your account options please call us at 1-800-549-6160 or email us at: [customerservice@enhpower.com](mailto:customerservice@enhpower.com). Business Hours: 8:00 a.m. to 5:00 p.m. Monday – Friday.

Sincerely,

Your ENH Power Team
