Re: 2014 Annual RPS Filing ENH Power (DM12-075)
Rules Waiver of Puc 2503.05(c)(2)

Dear Ms. Howland,

On June 29, 2015, Electricity NH, LLC ("Electricity NH") submitted our 2014 Annual RPS Compliance Filing. As part of our 2014 RPS Compliance we settled 23,683 Class I NH REC's and banked another 106 Class I NH REC's for use in 2015 in our Reserved account, see Attachment A. As these banked REC's were in our Reserved account they did not show up on our "My Settled Certificates Disposition" report. Following discussions with Commission Staff, Electricity NH hereby requests a rules waiver of Puc 2503.05(c)(2) to allow us to bank the 106 Class I NH REC's we retired in our Reserved account. The RECs retired in our Reserved account have not been and will not be sold, transferred or used for compliance in any other state.

If there are any further questions about this filing, please feel free to contact me at the number listed below.

Sincerely,

A handwritten signature in blue ink that reads "Neil McKellar". The signature is fluid and cursive.
