Natural Gas Aggregator Registration Application

**TO:** Debra Howland  
Executive Director

Staff has completed its review of the natural gas aggregator registration application for Competitive Energy Services, as filed on March 16, 2012. In accordance with the requirements of Admin. Rule Puc 3003.05(c), Competitive Energy Services filed its renewal registration fee of \$125 on April 2, 2012. The registration application is now complete and in compliance with the requirements of Puc 3003.05.

Staff recommends approval of the application for Competitive Energy Services as a natural gas aggregator in New Hampshire. The effective date should coincide with the expiration date of the current registration, May 16, 2012. This is a renewal registration and as such carries a term of five years from the effective date.

Should you have any questions regarding this registration application, please do not hesitate to contact Robert Wyatt of the Gas/Water Division.
