Re: DT 12-084, Time Warner Entertainment Company, LP d/b/a Time Warner Cable
Petition for Resolution of Dispute with Public Service Company of New Hampshire
Unitil Energy Systems, Inc.
Motion for Extension of Time

To the Parties:

On September 12, 2012, Until Energy Systems, Inc. (UES) filed a motion for extension of time to file testimony in the above-referenced proceeding. In its motion, UES claims that testimony from pole owners is due September 14, 2012, but with the press of other matters, UES possible witnesses in this proceeding are unable to complete their testimony by the established deadline.

In its motion, UES agrees to extend the deadline for submission of discovery to UES on its testimony from September 28 to October 5. UES also agrees to respond to such discovery by the current deadline of October 12. UES further represents in its motion that Public Service Company of New Hampshire, FairPoint Communications, Inc., segTEL, the Office of Consumer Advocate and Commission Staff do not object to the motion.

The Commission has determined that granting the extension will not unduly delay the proceeding or adversely affect the rights of any party. Accordingly, UES' testimony is due Friday, September 21, 2012 and discovery on UES' testimony is due October 5, 2012.

Sincerely,

A handwritten signature in cursive script, appearing to read "Debra A. Howland".
