**TEMPORARY RATE RECOUPMENT SURCHARGE**

By its Order No. 25,586 dated October 22, 2013, the Commission authorized the Company to collect the difference between Temporary Rates (Order No.25,412) and Final Approved Rates (Order No.25,539). The difference amounting to \$587,324 was incurred during the temporary rate period of July 1, 2012 to June 30, 2013. The applicable rates are determined based upon the actual water usage and charges by customer class for that time period. The rates listed below allow for the collection of this amount through a fixed surcharge to customer bills until the full amount of the temporary and permanent rate recoupment is recovered.
