Subject: DM 12-086 Texas Retail Energy Registration

Hi Chris,

Regarding TRE's registration as CEPS, I have a few question and clarification:

- In your cover letter you explained that TRE is wholly-owned subsidiary of Wal-Mart Stores Inc.; but you did not provide any documentation of such relationship. Please provide such documentation with explanation if required.
- You did not provide any financial surety as required under Puc 2003.03(a). As I understand TRE will be serving its affiliates only. In that case you have to request for waiver of Puc 2003.03(a). Please review the requirement for waiver of any PUC rule [here \(Puc 201.05 Waiver of Rules\)](#), and submit a proper waiver request.
- On item 11 of Puc 2006.01, you mentioned that TRE will supply electricity to Wal-Mart Store Inc. family. Please provide list of 'members of Wal-Mart Store Inc. family' TRE intend to serve.
- Clarification:
 - Does TRE has any other customers other than Wal-Mart Store Inc. family list?
 - Does TRE intend to serve other customers in future?

If you have any question please do not hesitate to contact me.

Thanks!
