DM 12-106 Standard Power of America, Inc.
Natural Gas Aggregator Registration Application

TO: Debra Howland
Executive Director

Staff has completed its review of the natural gas aggregator registration application for Standard Power of America, Inc., filed on April 24, 2012. The registration application is complete and in compliance with the requirements of Puc 3003.04.

Staff recommends approval of the application for Standard Power of America, Inc. as a natural gas aggregator in New Hampshire. The effective date should coincide with the date of the approval letter. This is an initial natural gas aggregator registration and as such carries a term of two years from the approval date.

Should you have any questions regarding this registration application, please do not hesitate to contact Robert Wyatt of the Gas/Water Division.
