Re: DT 12-107, New Hampshire Optical Systems, LLC
Petition for Investigation into Proposed Charges for
Utility Pole Make Ready

To the Parties:

On September 14, 2012, New England Cable & Telecommunications Association, Inc. (NECTA) filed a motion for leave to respond to a New Hampshire Optical Systems, LLC (NHOS) objection to NECTA's August 13, 2012 motion to dismiss. Such responses to objections are not provided for in the Commission's procedural rules, however, in this case the Commission will allow the response to be filed in the docket.

In allowing this filing, the Commission reminds the parties that allegations and counter-allegations by opposing parties do not constitute findings in this, or any other Commission docket. As a result, the Commission wishes to discourage time consuming argument over each party's characterization of the other's positions or motives.

Very truly yours,

Debra A. Howland
(ANS)
