Re: DT 12-117 Dunbarton Telephone Company
Tariff Filing to Add Provisions for Toll VoIP-PSTN Traffic

Dear Mr. Nelson:

On May 1, 2012, Dunbarton Telephone Company submitted a filing to revise its NHPUC tariff so as to establish a process for identifying and rating VoIP / PSTN traffic. The proposed revision addresses new requirements established by the Federal Communications Commission (FCC) regarding VoIP traffic charges.

Staff reviewed this revision and concluded that it is consistent with FCC requirements and provides a reasonable process for identifying and rating the traffic involved. The Commission has accepted Staff's assessment. Pursuant to RSA 378:3 and RSA 378:6, IV, the revision has gone into effect by operation of law on June 1, 2012. Tariff pages should be filed referencing Docket No. DT 12-117 and reflecting the effective date of June 1, 2012.

Sincerely,

A handwritten signature in black ink that reads "Debra A. Howland".

Debra A. Howland
Executive Director
