Re: DT-12-123; AT&T Corp. Intrastate Access Reform

Dear Ms Howland:

Please find enclosed the original and three copies of the following materials from AT&T Corp. (AT&T") for filing in the docket referenced above:

- A revised version of the "TFN Transmittal Form" that was included with AT&T's proposed changes to its Access Services Rate Schedule, for effect on July 1, 2012. The document is not proprietary, and the revised version removes any proprietary designation.

These materials also will be submitted electronically.

I also enclose a stamped, self-addressed envelope so that you can return one file-stamped copy of the materials to me. If you have any questions regarding these materials, please give me a call.

Respectfully submitted,

James A. Huttenhower
