Re: DT 12-153 CRC Communications, LLC d/b/a OTT Communications
Intrastate Access Reform Tariff

Dear Ms. Bragdon:

On June 4, 2012, CRC Communications, LLC d/b/a OTT Communications (CRC) submitted proposed rate changes to revise its intrastate access rates to comply with the requirements of the Federal Communications Commission (FCC) in its order, *Connect America Fund et al.*, WC Docket No. 10-90 *et al.*, Report and Order and Further Notice of Proposed Rulemaking, 26 FCC Rcd 17663 (2011). The proposed revisions address the requirement that carriers reduce their intrastate access revenues. In addition, the filing contained provisions for the treatment of VOIP-PSTN traffic. On June 27, 2012, CRC submitted a substitute filing omitting the sections on treatment of VOIP-PSTN, limiting its filing to proposed new access rates.

Staff reviewed these revisions and concluded that they are consistent with the FCC's requirements. The Commission has accepted Staff's recommendation that the rates conform to the requirements of the FCC's order.

For administrative efficiency, an order will not be issued by the Commission suspending, rejecting, or approving the proposed changes and the proposed changes will take effect on July 3, 2012, as stated in the filing.

Sincerely,

Debra A. Howland
Executive Director
