Re: DG 06-105, EnergyNorth Natural Gas, Inc. d/b/a KeySpan Energy Delivery New England  
2006 Integrated Resources Plan  
Administrative Notice of Certain Materials and Revisions to Proposed Briefing Schedule

Dear Ms. Howland:

Based on the Company's letter filed on February 8, 2008, Staff understands that the Company does not object to the Commission's taking of administrative notice of the 1998 EnergyNorth Integrated Resource Plan as long as Staff does not make any new arguments based on that document. Subject to this one proviso, Staff understands that there is no objection to the Staff's request that the Commission take administrative notice of all the items identified in Staff's letter filed on January 31, 2008.

In Staff's letter, Staff had proposed a briefing schedule for the initial round of briefs. Due to the need to respond to workloads, Staff wishes to revise its proposal, as follows:

Staff (and OCA) brief due March 7, 2008  
Company brief due April 4, 2008.

Upon information and belief, these revisions are acceptable to the Company.

Please let me know if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Edward N. Damon".

Edward N. Damon  
Staff Attorney
