Re: DG 06-105, EnergyNorth Natural Gas, Inc. d/b/a KeySpan Energy Delivery New
England - 2006 Integrated Resource Plan

Dear Ms. Howland:

Because of the potential for further settlement discussions in this docket, KeySpan hereby requests a two week postponement of the due date for KeySpan's brief. If the Commission were to grant such a postponement, the brief would be due April 18, 2008. I am authorized to represent that the Commission staff and the Office of Consumer Advocate do not object to this request.

I would appreciate it if you would bring this request to the Commission's attention. KeySpan believes that a two week postponement would be in the public interest and would not disrupt the orderly and efficient resolution of this proceeding.

Thank you for your assistance with this matter.

Very truly yours,

Steven V. Camerino
