Re: DW-06 166

Dear Madam,

Per discussion with Public Utilities Commission staff member, James L. Lenihan, the Company has decided to revise its previous request to change its service call fee for Indian Mound. To be consistent with our previous analysis of cost based on mileage, Lakes Region Water Company Inc. believes this fee should change from \$60.00 to \$50.00.

Sincerely,

A handwritten signature in cursive script, appearing to read "Taryn Zambouras".
