Re: DT 07-027, TDS Companies' Petition for Alternative Regulation
Motion to Quash

Dear Mr. Fossum:

On September 13, 2010, Staff propounded data requests on Comcast in connection with the above referenced matter. That same day, the Office of Consumer Advocate filed a Motion to Quash Staff's Data Requests to Comcast to which Staff objected on September 14, 2010.

The Commission has determined that in order to rule on the OCA motion, it must view the data requests sent to Comcast. Accordingly, the Commission directs Staff to file a copy of the September 13th questions propounded on Comcast in this docket.

Sincerely,

A handwritten signature in cursive script that reads "Debra A. Howland".
