Re: DT 07-027, TDS - AFOR

Dear Ms. Howland:

This is a follow-up to a letter from Attorney Feltes dated September 14, 2007.

On August 24, 2007 TDS filed objections to several data requests propounded on behalf of Intervenor Patnode. On September 18, 2007 TDS provided supplemental data responses to the first set of data requests propounded on behalf of Intervenor Patnode. Accordingly, a motion to compel is not necessary and this resolves the matter.

We wish to thank TDS for its cooperation in resolving this issue.

Thank you for your attention to this matter.

Sincerely,

Alan Linder
Attorney for Intervenor Ross Patnode
