Company Responses
To Patnode Set 1 Data Requests
September 4, 2007

Patnode 1-31: Within each of the last three years, for each exchange, for each company, identify the raw numbers and percentages of residential customers that terminated TDS basic local exchange service and purchased basic local exchange service from a CLEC.

Response:

Petitioners are not aware of any of their customers who have terminated their service and purchased service from a CLEC within the respective Petitioner's service area. Petitioners are not aware of any CLECs offering basic local exchange service in their service areas.

Michael C. Reed is responsible for this response.
