Executive Director  
New Hampshire Public Utilities Commission

Concord, NH

Dear Ms. Howland:

Re: Docket No. **DT 08-028 TDS / Global NAPs**  
Petition to Intervene of segTEL, Inc.

By this letter segTEL, Inc. petitions to intervene in the above-named docket.

segTEL has a substantial interest in this proceeding since it is a public utility providing competitive service in New Hampshire. Any decision regarding interconnection and access obligations will be likely to affect segTEL's present or future business within the State. Therefore, segTEL's rights, duties, privileges and other substantial interests will be affected by this proceeding.

Since this is a late intervention, segTEL has sought the concurrence of the parties. Some parties objected, primarily concerned that segTEL has not adequately stated its interest, or that segTEL's intervention will delay the orderly process of the docket.

segTEL has assured the parties that its intervention is "where is; as is" and that segTEL does not intend that its intervention shall cause delay in the process of the docket.

Sincerely,

A handwritten signature in black ink, appearing to read "Kath Mullholand".

Kath Mullholand  
Director of Operations
